

# Techno Commercial Proposal of Telescopic Belt Conveyor – MAEG

July 3, 2024

F23-00546\_Ver 5.0

Dear Mr. Waleed Hashmi,

M/S – MAEG

Offer No – F24-00329 Date – 03-07-2024

Dear Sir,

We are pleased to submit our Techno-Commercial Offer to MAEG in response to your RFQ.

We are proud to emphasize that Falcon Autotech, serving as the prime contractor for this project, is a global leader in intra-logistics automation solutions. Falcon Autotech specializes in Bin based ASRS, goods to person solutions, Sortation, conveying, PPTL based Fulfillment Solutions. The company boasts an impressive portfolio, with over 200 Installations deployed worldwide, with handling capacities from 800 to 60,000 Units/Hour. Falcon Autotech has an outstanding track record in the design, manufacture, installation and Life cycle support of cutting-edge intralogistics automation systems.

As you will note, we have studied your requirements in great depth and, along with the information collected during the workshops, visits and calls with your different teams, we have put together a detailed technical proposal laid out in various sections and sequenced to enable you to understand our proposed solution and to re-enforce our commitment to be your partner in this strategic initiative.

To conclude, I would like to add my personal commitment, on behalf of Falcon Autotech. As we move through the RFP process, please do not hesitate to contact me and my team. We will be pleased to assist you with any further information or clarifications that you might have.

**Best Regards,**

**Shantanu Rawat**
